What is the Implementation Committee?

Established by resolution on September 16, 2014, the five member KID Implementation Committee was created to serve as an advisory body to the Board of Directors relative to the District's Policy and Project Implementation.

How will the Committee benefit KID?

Under authorization of the Board of Director's, the Committee may conduct surveys, analyses, studies, and reports relating to the KID.

What type of members comprise the committee?

The members of the committee must be Kennewick Irrigation District rate payers and available to commit to at least

a 2-year term. There shall be at least one (1) member and not more than two (2) members representing the perspectives of each of the following types of rate-payer:

2. **Urban** (Residential, commercial, or institutional rate payers located in urban growth area)
3. **Rural** (Non-urban, Non-agricultural rural residential)

Where can I get an application?
