RE: Sherman Street Road Closure Notice

Dear Property Owner:

This notice is to inform you that the Kennewick Irrigation District (KID) will be performing a project to install a 30" pipe across S. Sherman St. at the intersection with W. Hildebrand Blvd. and a 16" pipe adjacent to S. Sherman Street to the south of W. Hildebrand Blvd. The project work area will be located along S. Sherman Street between W. Hildebrand Blvd. and W. 33rd Pl. KID is planning to temporarily close a portion of S. Sherman Street during installation of the new pipeline. Road closures will be re-opened each night. A map with the location of the closure has been attached on the backside of this page for your convenience. The closure is currently planned for August 8 to August 12, but is subject to change. Any updates to the schedule can be found on the KID website at www.kid.org, under the "News" tab.

We express our appreciation to you for your cooperation during this project and apologize for any inconvenience it may cause to your commute. This project, one of many rehabilitation projects, is funded by your capital assessment dollars and will replace KID's aging infrastructure and delivery system for your property.

If you have any questions or comments, please feel free to contact one of our Customer Service Agents at 586-9111 or Daniel Tissell directly at 586-9111 ext. 116 or via email at dtissell@gmail.com.

Sincerely,

Ben Woodard, P.E.
Assistant Engineering Manager
