FOR ASSESSMENTS REMOVED – GERALD WICK**

WHEREAS, the Board of Directors of the Kennewick Irrigation District (District) met in open public session on March 20, 2018 with a quorum present, and

WHEREAS, the parcel identified on Attachment “A” is designated as irrigable and, therefore, assessable, and is located within the boundaries of the District, and

WHEREAS, the owner of record of the aforementioned parcel, Gerald Wick, has requested that his parcel be relieved of assessment obligation by permanently transferring the irrigation water allotment for said parcel to the District; and

WHEREAS, the District has confirmed that the permanent transfer of the water allotment for the parcel described on Attachment “A” will not cause the assessable acreage of the District to be below the District’s total minimum irrigated acreage of 19,171 acres under the District’s water contract; and

WHEREAS, Procedure 3.2-2B “Water Allotment-Relegation” was rescinded on July 19, 2016; and

WHEREAS, Mr. Wick was told relegation was possible but did not submit his Irrigation Water Allotment Relegation Application before July 19, 2016; and

WHEREAS, on July 20, 2017, the Board approved staff to prepare a Resolution allowing the relegation of Gerald Wick’s water allocation for the 2018 assessment, essentially granting Mr. Wick an extension of the relegation application deadline due to his unique circumstances; and

WHEREAS, other than Mr. Wick’s failure to apply for a relegation prior to the elimination of the program, all other application requirements of District Policy 3.2-2, “Water Allotment,” and previous Procedure 3.2-2B, “Water Allotment-Relegation,” have been satisfied; and

WHEREAS, all monies and/or obligations to the District and/or USBR due and owing on the subject property, including the 2017 annual assessment, has been paid; and

WHEREAS, the parcel described on Attachment "A" will be removed from the 2018 assessment roll upon the fulfillment of this resolution; and

NOW, THEREFORE, BE IT RESOLVED any and all Kennewick Irrigation District water allotment, irrigation assessment, or USBR construction loan repayment assessment for the parcel described on Attachment "A" be removed from the Kennewick Irrigation District's assessment rolls effective January 1, 2018.
