NOTICE OF MITIGATED DETERMINATION OF NON-SIGNIFICANCE

TD 2022-03

NOTICE IS HEREBY given that the Kennewick Irrigation District (KID) has issued a Mitigated Determination of Non-significance under State Environmental Policy Act Rules (Chapter 197-11 WAC).

Action Description: The Kennewick Irrigation District (KID) is proposing land leveling of the Schaefer property that will result in the excavation of approximately 71,000 cubic yards of excess fill material that will be incorporated into canal lining projects in parts of the adjacent KID canal.

After reviewing a completed environmental checklist and other information on file with the agency, KID has determined that the proposed action will not have a probable significant adverse impact on the environment. This determination is based in part on mitigating terms and conditions prescribed in the Mitigated Determination of Non-significance.

Public Review: Interested parties may view the Mitigated Determination of Non-significance and associated technical support documents on the KID website at www.kid.org.
