## **KENNEWICK IRRIGATION DISTRICT RESOLUTION 2023-34**

---

### **AUTHORIZATION TO WAIVE COMPETITIVE BIDDING AND AWARD A SOLE SOURCE CONTRACT TO PURCHASE A USED 2007 KENWORTH T300 MECHANICS TRUCK FROM APOLLO CONSTRUCTION; PURSUANT TO RCW 87.03.435(3)(c)**

A **RESOLUTION** of the Board of Directors of Kennewick Irrigation District (KID), Benton County, Washington, relating to the purchase of certain materials, goods, and equipment, not associated with public works projects.

#### **Section 1. RECITALS AND FINDINGS.**

**1.1** The Board of Directors of Kennewick Irrigation District has established a General Purchasing Policy 2.13 that establishes the rules for acquiring services, contractors, materials, supplies, and equipment.

**1.2** RCW 87.03.435(3)(c) provides for establishing the purchase price by direct negotiation if the purchase is clearly limited to a single source of supply or to purchases involving special facilities, services, or market conditions, in which instances the purchase price may be best established by negotiation.

**1.3** KID Procedure 2.13 (General Purchasing) Section 6.3.1.5 allows for the waiver of competitive bidding requirements if there is a need for a used item that would represent a good value and is advantageous to KID.

**1.4** KID has a Capital Improvement Program that includes heavy equipment that requires the support of this service truck.

**1.5** Capital improvements will continue in the future, and this second service truck will be necessary for the support of these ongoing activities.

#### **Section 2. PURCHASE OF A USED 2007 KENWORTH T300 MECHANICS TRUCK**

**2.1** During the evaluation process for the purchase of a new service truck, it was brought to our attention that Apollo Construction has available a used 2007 Kenworth T300 Mechanics Truck for \$99,500.00, plus tax, license, and registration. We were able to negotiate that price down to \$95,000.00. The truck is local so there is no shipping cost.

2.2 Through an analysis, the cost of ownership per year of this used mechanics truck will be \$6,785.71 during its approximately 14 years of remaining life, which is a significant cost savings compared to other comparable mechanics truck options.

2.3 This used 2007 Kenworth T300 Mechanics Truck represents a unique situation that is a good value and is advantageous to KID.

2.4 The Board of Directors waives competitive bidding and authorizes the purchase of the aforementioned used 2007 Kenworth T300 Mechanics Truck from Apollo Construction, for a total amount of \$95,000.00 plus applicable tax, license, and registration, to be paid from the Capital Upgrade and Improvement Fund.

**Section 3. IMPLEMENTATION.** The KID District Manager is hereby authorized and directed to take such action as appropriate and necessary to administer and enforce this Resolution.

**Section 4. REPEALER; FUTURE ACTIONS.** Any KID act prior to and inconsistent with this Resolution is hereby superseded and repealed. Nothing in this Resolution shall limit the future authority of KID to modify, rates charges and assessments.

**RESOLUTION 2023-34 IS HEREBY ADOPTED** by the Board of Directors of Kennewick Irrigation District, Benton County, Washington, at a regular open public meeting with a quorum present thereof this 15th day of August, 2023.
