KENNEWICK IRRIGATION DISTRICT RESOLUTION 2023-35

Authorization to Waive Competitive Bidding and Award a Contract to Purchase two (2) bearings seal kits Pursuant to RCW 87.03.435(3)(c)

A **RESOLUTION** of the Board of Directors of Kennewick Irrigation District (KID), Benton County, Washington, relating to the purchase of certain materials, goods, and equipment, not associated with public works projects.

Section 1. RECITALS AND FINDINGS.

1.1 The Board of Directors of Kennewick Irrigation District has established a General Purchasing Policy 2.13 that establishes the rules for acquiring services, contractors, materials, supplies, and equipment.

1.2 RCW 87.03.435(3)(c) provides for establishing the purchase price by direct negotiation if the purchase is clearly limited to a single source of supply or to purchases involving special facilities, services, or market conditions, in which instances the purchase price may be best established by negotiation.

Section 2. PURCHASE OF BEARINGS SEAL KITS

2.1 The KID has a need to purchase bearings two (2) seal kits for the International Finn Hydro seeder.

2.2 KID Staff has determined by a thorough vendor search that Thomson Equipment Co. is the only distributor for International Finn parts. Because Thomson Equipment Co. has established a system whereby a certain salesperson is responsible for a given territory, KID cannot acquire quotes from other Thomson Equipment companies or salesmen.

2.3 To continue uninterrupted service of the KID hydro seeder, staff recommends purchasing the bearings seal kits from Thomson Equipment Co. The cost of the kits is \$889.78 plus applicable tax and shipping.

Section 3. IMPLEMENTATION. The KID District Manager is hereby authorized and directed to take such action as appropriate and necessary to administer and enforce this Resolution.

Section 4. REPEALER; FUTURE ACTIONS. Any KID act prior to and inconsistent with this Resolution is hereby superseded and repealed.

RESOLUTION 2023-35 IS HEREBY ADOPTED by the Board of Directors of Kennewick Irrigation District, Benton County, Washington, at a regular open public meeting with a quorum present thereof this 5th day of September 2023.
