

PUBLIC NOTICE
KENNEWICK IRRIGATION DISTRICT
NOTICE OF MITIGATED DETERMINATION OF NON-SIGNIFICANCE

TD 2023-04

NOTICE IS HEREBY given that the Kennewick Irrigation District (KID) has issued a Mitigated Determination of Non-significance under State Environmental Policy Act Rules (Chapter 197-11 WAC).

Action Description: The Main Canal Lining 12.0 Pump Station and Service Extension will consist of the relocation of an existing pump station, construction of a pump station building, installation of a new turnout structure within the canal, adjustment of the canal alignment and installation of approximately 0.4 miles of irrigation pipeline sized between 16" and 4".

After reviewing a completed environmental checklist and other information on file with the agency, KID has determined that the proposed action will not have a probable significant adverse impact on the environment. This determination is based in part on mitigating terms and conditions prescribed in the Mitigated Determination of Non-significance.

Public Review: Interested parties may view the Mitigated Determination of Non-significance and associated technical support documents on the KID website at www.kid.org.

Comment Period: KID will not act upon this determination for a period of at least fourteen (14) days. The public is invited to comment on this Mitigated Determination of Non-significance by submitting written comments to the e-mail address listed below. To be considered, all comments must be received by KID by the close of business on December 20, 2023.
