KENNEWICK IRRIGATION DISTRICT RESOLUTION 2025-20

Authorization to Waive Competitive Bidding and Award a Contract to Purchase One Allen-Bradley PanelView Terminal Pursuant to RCW 87.03.435(3)(c)

A **RESOLUTION** of the Board of Directors of Kennewick Irrigation District (KID), Benton County, Washington, relating to the purchase of certain materials, goods, and equipment, not associated with public works projects.

Section 1. RECITALS AND FINDINGS.

1.1 The Board of Directors of Kennewick Irrigation District has established a General Purchasing Policy 2.13 that establishes the rules for acquiring services, contractors, materials, supplies, and equipment.

1.2 RCW 87.03.435(3)(c) provides for establishing the purchase price by direct negotiation if the purchase is clearly limited to a single source of supply or to purchases involving special facilities, services, or market conditions, in which instances the purchase price may be best established by negotiation.

Section 2. PURCHASE OF ALLEN-BRADLEY PANELVIEW TERMINAL

2.1 The District has a need to purchase pump station motors, pumps, and electrical components, including replacement parts, for the delivery of pressurized irrigation water within pressurized service areas (PSA) throughout the District. Some of these items are manufacturer-specific components that cannot be efficiently replaced with a generic or alternative manufacturer.

2.2 KID Engineering Staff has determined by a thorough vendor search that this is the sole opportunity to purchase this type of special part which is the Operator Interface; PanelView Plus 7 Standard model panel, manufactured by Allen-Bradley, to re-establish an on-site pump station control panel for PSA 204.

2.3 One (1) replacement operator interface panel from Allen-Bradley is currently needed.

2.4 To re-establish a local operator interface panel at the PSA 204 pump station, staff recommends the

purchase of one (1) PanelView Plus 7 Standard model. The cost of the replacement parts is \$3,577.07, plus applicable tax, fees, and shipping.

Section 3. IMPLEMENTATION. The KID District Manager is hereby authorized and directed to take such action as appropriate and necessary to administer and enforce this Resolution.

Section 4. REPEALER; FUTURE ACTIONS. Any KID act prior to and inconsistent with this Resolution is hereby superseded and repealed.

RESOLUTION 2025-20 IS HEREBY ADOPTED by the Board of Directors of Kennewick Irrigation District, Benton County, Washington, at a regular open public meeting with a quorum present thereof this 17th day of June, 2025.
