

DETERMINATION OF NON-SIGNIFICANCE

File No. TD 2026-05

DESCRIPTION OF PROPOSED ACTION: The Olympia and 19th Intertie project will consist of installing approximately 82 linear feet of buried 16-inch ductile iron irrigation pipeline near the intersection of West 19th Avenue and South Olympia Street in Kennewick, Washington. The proposed pipeline will connect to an existing City of Kennewick water pipeline being decommissioned to an existing Kennewick Irrigation District irrigation main pipeline, allowing the former City pipelines to be incorporated into KID's irrigation system. Construction will include pipeline installation, fittings, valves, connections to existing utilities, trench excavation and backfill, and restoration of disturbed surfaces within the public right-of-way and other affected areas, as applicable.

PROPONENT: Kennewick Irrigation District (KID)

LOCATION: The project is located in Kennewick, Washington, near the intersection of West 19th Avenue and South Olympia Street. The proposed pipeline will begin near the southeast corner of the intersection and extend approximately 82 linear feet to terminate near the northeast corner of the intersection, connecting an existing 16-inch City of Kennewick pipeline to an existing Kennewick Irrigation District irrigation pipeline. The project is located in Section 12, Township 8 North, Range 29 East, Willamette Meridian.

RESPONSIBLE SEPA OFFICIAL: Seth Defoe, Land and Water Resources Manager

THRESHOLD DETERMINATION: KID, the lead agency for this proposal, has determined that the proposal will not have a probable significant adverse impact on the environment. An Environmental Impact Statement (EIS) is not required under RCW 43.21C.030 (2) (c) and Chapter 197-11 WAC. This decision was made after reviewing a completed SEPA Environmental Checklist dated August 24, 2026, and other information on file with the lead agency. The responsible official finds this information reasonably sufficient to evaluate the environmental impact of this proposal. This information is available to the public on request. The checklist attachments and reference documents can be viewed at www.kid.org.
